Assemble Quilt Top

This quilt is assembled in columns instead of rows. Sashings are directional. So check direction when assembling quilt top. To make sure the star blocks line up across the quilt, find the middle of both sashing and star column and pin together before stitching. Before pressing use a mechanical pencil to mark star block seams on sashing strip then match marks with next column. See diagram on following page.

Red Columns – Make 3

Each column includes 4 Star Block 2 and 3 Star Block 1

Alternate star blocks, beginning and ending each column with Star Block 2. Press all seams in one directions.

Taupe Columns – Make 2

Each column includes 4 – Star Block 3 and 3 – Star Block 4

Alternate star blocks, beginning and ending each column with Star Block 3. Press all seams in one directions.

Piecing Columns and Sashings

Sashings

Measure length of assembled columns. Cut 4 fussy cut sashing strips to that measurement (approx. $70\frac{1}{2}$ "). Join columns alternating with prepared sashing strips. *Note direction of sashing.* Begin and end with a red column. Press seams toward sashing strips.

OUTER BORDER

1. Using a bias seam, join 4 – $8\frac{1}{2}$ "x WOF border strips together end to end. Press seams open. Repeat with 4 remaining strips.
2. Measure width of assembled columns and sashings.
3. Cut a top and bottom border strip to that measurement (approx. $62\frac{1}{2}$ ")
4. Add top and bottom borders to quilt top. Press seams toward border.
5. Measure length of quilt top, including top and bottom borders. Cut 2 – $8\frac{1}{2}$ "x **length** of fabric borders strips to that measurement (approx. $86\frac{1}{2}$ ").
6. Add side borders to quilt top. Press toward borders. Quilt top should measure $78\frac{1}{2}$ "x $86\frac{1}{2}$ " with seams.

FINISHING

Using a bias seam, join the 9- $2\frac{1}{2}$ "x WOF strips end to end. Press seams open. Fold prepared strip in half wrong sides together and press to make binding.

Layer, quilt and bind.

QUICK PIECING FLYING GEESSE

1 – 6¼" square and 4 – 3⅜" squares

Yield: 4 Flying Geese Units

Makes 2 units

1. Draw a diagonal line on the wrong side of each of the 4 small squares.
2. With right sides together place 2 small squares in opposite corners of the large square – matching the corners and center diagonal lines. Stitch ¼" on each side of drawn line.
3. Using a ruler and rotary cutter cut on center lines. Press small triangles away from large triangle.
4. Place another marked square in the remaining corner of the large triangle. Stitch on seam lines. Cut and press. Yield 2 flying geese units.
5. Trim corners (ears) on each unit. Units should measure 3" x 5½" with seams.

Repeat steps above with remaining squares to yield 4 flying geese units. This is enough for 1 star block.
