

the boo crew

by Sweetwater ***

The Boo Crew is our first journey into designing for Halloween – and we had so much fun! We have learned that so many people treat Halloween just like Christmas and decorate their houses from top to bottom. So of course they want fabric that coordinates with the holiday.

What we love most about the collection is that even though it is Halloween-themed, so many of the prints can be used all year long. Our favorite designs are definitely “Monsters” and “The Bash”- anything with text is always our favorite
