FIG TREE & CO

No FT 996/ FT 996G Summertime Dress

Inspired by a recent trip to the museum, I fell in love with an impressionist painting of an autumn garden in full bloom. Everything in the garden felt alive and full of Technicolor and flavor, even though I couldn't taste it! It immediately made me think of fabric. Grounded with a dark, earthy brown and a soft grey, the **Somerset** collection just sings of fruit and flowers and an abundance of falling leaves. It is the garden of my dreams. Persimmon, citron, artichoke, poppy and chestnut are joined by rain washed and fig tones to create a well-rounded group perfect for any litany of quilts, accessories and home projects.
