

ANN'S ARBOR

Minick & Simpson

Latitude 42.265594 Longitude -83.7488298

Ann's Arbor pays homage to our hometown of Ann Arbor, Michigan. This vintage Americana-inspired color palette evokes happy memories of family and friends, childhood adventures and carefree summers. We've mixed pretty florals, ditsy prints, posies and our favorite paisleys with stripes and diamonds to make a collection suited to any kind of quilt.
