“Play the day away!” -Fred

Panel comes packaged in polybag with visual printout of play options.

I loved playing with my dolls when I was a little girl. I'd push them in their pram, dress them up and have tea parties with them. Those were the days!

So, I painted rosebuds, polka dots, sprigs of flowers and sweet girls playing in soft colours to remind me of those carefree childhood days, filled with pretty little prints on homemade dresses, picnics, friends and cozy bedtime stories.

Freya, Felicity and Fiona and their little dog Fred are the very best of friends.

They love to play the day away in their cozy house before enjoying a delicious afternoon tea with the best china. When it's time for a rest they can snuggle down with pillows and quilts to tell stories and giggle together.

Just add imagination and a little childish delight to this panel to create a dollhouse, 3 girls, their dog, a tea set, pillows and a quilt.

All the pieces can be safely tucked away in the pockets ready for their next morning.

Freya is wearing her little apron today so she can play the day away and hopefully, keep her pretty dress neat and tidy.
