

ORIGAMI

Janet Clare

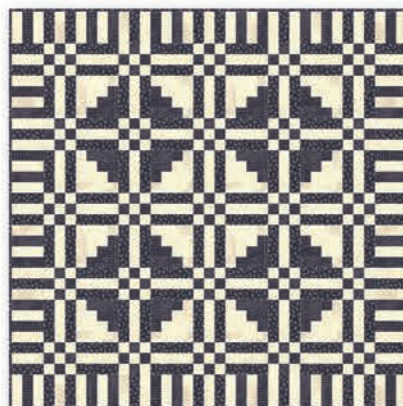

FLOWERS OPEN AND HEAVEN REVEALS ITS ESSENCE. - MUAN XINGTAO

Our youngest son Henry had a fleeting obsession with origami, patiently teaching himself how to fold all manner of things. Whilst our house filled with pretty papers and folded creatures, I visited the Japanese galleries at the British Museum, taking notes and drawing in my sketchbook as I went along. The idea for an origami fabric collection came to me on the train home, and here it is. Janet
