

Canning Day

by corey yoder

There is nothing as sweetly remembered as Grandma’s kitchen and the companionship shared. Whether it was sweet tea and cookies in the afternoon, sour cream and onion chips on a Sunday night, or a freshly opened jar of homemade vegetable soup served with fresh-baked bread, those memories stick with you.

Canning Day remembers the bonds forged by time snapping green beans, shelling peas, de-silking corn, peeling peaches, slicing pears or preparing any other number of fruits and vegetables for the pressure cooker. Often times this happened in a steamy kitchen, amid the sights of brightly colored aprons, pretty fabric jar covers, charming table cloths, and so much laughter. This collection evokes the nostalgia of those days - full of sweet flowers, colors, and happiness.
