KATE & BIRDIE PAPER CO.

## Envelop yourself in Juniper,

a Kate & Birdie nature inspired collection fit for the holidays and the crisp winter beyond. Inspired by the smell of fresh pine, the cool of an alpine forest and the crunch of crisp snow on a forest stroll, this collection invites you to tuck yourself in by the fire, in the warmth of a mountainside cottage nestled in an evergreen forest just beyond Winter's Lane. Hand illustrated prints in shades of deep spruce, berry and merlot bring comfort and coziness to icy shades of frost and snow, all wrapped in the warmth of Kate & Birdie's signature linen-like textures and plaids.
