

PACIFIC WANDERINGS

MARA PENNY

Inspired by the magnificent Pacific Ocean and the four lucky states whose coasts kiss her waters – California, Hawaii, Oregon and Washington – the rugged beauty of the Pacific region invites us to get outside and seek adventure! The landscape varies wildly – lush tropics, arid deserts, majestic redwood forests, bountiful vineyards, snowy mountain peaks, breathtaking cliffs and sandy beaches.

Each state in Pacific Wanderings individually represented as an illustrated map replete with hand-lettered cities and popular state sights and attractions. An additional panel highlights each state's official bird and flower.
