

# KAWA

Debbie Maddy

Kawa is the Japanese word for river. Watch the movement of a river, the sea or the sky, and you will begin to see the many shades of blue that exist in nature. And where you find water, you'll find trees and flowers that turn red, orange and rust in the fall. The grey tones of the sand and river beds complete the imagery that reflects the beauty of Japan.

**SEPTEMBER DELIVERY**

**CCTD 166** Fractured Stars 72"x 72"

**CCQD 148**  
Ashleigh Queen  
90" x 102"
