A SISTER RANGE TO MIXED BAG OF LOLLIES IS JEN KINGWELL'S MIXED BAG OF BONBONS featuring a range of 12 playful, low volume prints. As a store owner and quilt designer, Jen is always on the hunt for the perfect backgrounds to use in her projects... So she created her own!

These designs sit alongside Jen's range Mixed Bag of Lollies to combine and perfectly complement her Pick A Petal Template of the Month Program, which will be released alongside the ranges, and distributed by Moda.
