

Reverie means “a state of being lost in one’s thoughts; a daydream.” When designing this collection, Melody imagined watching the clouds on a beautiful summer day, sitting in a fresh breeze with the drifting scent of flowers. She chose a range of soft but vibrant shades that are relaxed and summery. A dreamy rainbow leopard print canvas and three new Spark colors round out the group. **Low Cal assortment available ASSTRS0047 10H (10 yds of 20 skus with *)**.
