

Sugarberry

by Bunny Hill Designs

Who knew a dessert could inspire a fabric name?

I make a dessert on Christmas Eve I call Sugarberry Crisp, and it's a family favorite. It's easy to make, filled with assorted berries, baked in the oven, and served hot over vanilla ice cream. It's a perfect blend of ingredients.

Sugarberry is my newest fabric line for Moda. It's filled with a perfect blend of prints in my favorite shades of red, pink, cream, taupe, and stone. Mix them together, and you can make some delicious quilts.

Sugarberry is a fabric line that will take you through almost any season, but I love Christmas and hope you do too!
