When I hear the phrase, *The Shores*, the first thing that comes to mind is "relax". Whether it be the shore of an ocean, a lake, a river, or a stream... that is the feeling that I wanted this collection to evoke.

The soft blues & whites of the water, the lightness of the blues and greens of seaglass and grasses, and the shades of pebbles on the shorelines, I invite you to surround yourself in the calm, relaxing, inspirational colors and prints of *The Shores*. Can't you just feel the warm sunshine on your face?
